

Western Barbeque

Say "Howdy Partner!" Take a step back into the Wild West with the **Western Barbecue**. Country music, whiskey barrels and bales of hay welcome your guests to a country-style chuck wagon barbecue. Mesquite wood smoke floats on the summer breeze, filling your senses and making your mouth water.

You can begin your hoedown with a private reception featuring roasted vegetable skewers and jalapeno corn bread biscuits with smoked chicken. Add icy cold beer or Jack Daniel's cowboy kool-aid both are guaranteed to wet your whistle.

Bright red bandanas, lucky horseshoes and camp-style lanterns set your table. Juicy barbecue chicken, ribs & steak, sweet corn-on-the-cob and black bean chili will have you coming back for seconds. Homemade frontier peach cobbler with fresh whipped cream melts in your mouth while the spicy apple cake will cure your hankerin' for something sweet.
